Peak Performance

Mont Alpi®

Peak Performance

THE MONT ALPI STORY

At Mont Alpi, we are committed to empowering outdoor cooks of all levels to achieve their culinary goals. Driven by a passion for outdoor cooking, we design and craft innovative, high quality grills that make it easy to create delicious meals that impress friends and family.

As a family-run business with over 45 years of experience in the grilling industry, we understand the importance of crafting durable and expertly designed grills to ensure peak performance. That's why we created a range of modular, 'plug-and-play' outdoor kitchen islands and grills that deliver outstanding cooking experiences.

With our expanded range of products, you can find the perfect configuration to fit your outdoor setting.

We're more than just a grill manufacturer; we're a community of enthusiasts dedicated to supporting and guiding our customers every step of the way. Whether you have a question about one of our products or need some grilling advice, we are always here to help.

With Mont Alpi Grills, effortless outdoor cooking and masterful meals are just a grill away. Making you the peak performing outdoor chef of your neighborhood.

More ways to entertain

Expand your outdoor kitchen with

MontAlpi® SPECIALITY MODULES

Mont Alpi Speciality Modules expand your outdoor kitchen beyond grilling—adding versatility, performance, and purpose-built experiences that integrate seamlessly into your island or stand confidently on their own.

From low-and-slow cooking to perfectly chilled pours, each module is designed to elevate how you cook, serve, and entertain outdoors. The **Kamado Module** brings the craft of charcoal cooking, ideal for smoking, roasting, and high-heat searing. The **Keg Module** is built for hosting,

featuring an outdoor-rated refrigerator that holds up to three 1/6-barrel kegs with triple taps. The **Beverage Center** provides flexible cold storage for drinks and essentials—available in stainless steel or black stainless steel, and ideal as an integrated module or a standalone patio solution.

With premium finishes, durable materials, and clean integration, Mont Alpi Speciality Modules let you tailor your outdoor kitchen to how you cook, host, and live.

MAKM (KAMADO MODULE)

Expand your cooking capabilities with the Mont Alpi Kamado Module, designed to integrate Kamado-style charcoal grilling into your outdoor kitchen.
